

STRATEGY COORDINATOR AMONG PAKISTANI MUSLIMS IN METRO NEW YORK

JOB DESCRIPTION

Concentrated Area : Midwood (Brooklyn)
Population Estimate in Metro New York : 125,000 people
Primary Religion : Islam (Sunni)
Primary Language : Urdu

Why are Workers Needed? Although there are several Pakistanis churches in Metro New York, almost all members of these churches come from Christian backgrounds. There are still zero churches in Metro New York whose members are primarily Pakistani Christians from a Muslim background, and there has been little focused evangelism and discipleship among Pakistani Muslims.

Location

Pakistanis have a large presence in Queens (Jackson Heights and Flushing), Long Island, and Jersey City, but their most concentrated population is in “Little Pakistan” in Midwood, Brooklyn. Located around Coney Island Avenue between Avenue I and Foster Avenue, Little Pakistan contains Pakistani association centers, mosques, restaurants, grocery stores, and other institutions that function as the center for Pakistani cultural life in Metro New York. Gospel impact in Little Pakistan would ripple throughout the Metro New York Pakistani population and their connections worldwide.
